

# THE EXCELSIOR GRAND HOTEL

5 STAR

## CONGRESS HOTEL

The Excelsior Grand Hotel is situated adjacent to the magnificent sixteenth century bastions of Valletta, the Maltese capital, a UNESCO World Heritage City.

A couple of minutes on foot bring you to the gates of Valletta, a city brimming with culture, noble

architecture and priceless art.

The Hotel provides stunning views of Marsamxett Harbour and Manoel Island from its location by the edge of the sea. Its central position allows for easy travel to all parts of the islands.

Malta is probably unique in the world for the breadth of its history and ancient structures over the millennia, all of which can be found within a few square kilometres.

As well as our unbeatable location, the stunning scenery, and our fine dining, we pride ourselves on providing our guests with an unrivalled experience, none of this would mean anything without the added complement of our guest accommodation.

Exuding an overwhelming sense of style and grandeur, The Grand Hotel Excelsior offers 439 Deluxe Rooms, Executive Rooms and Suites set over 10 floors, ensuring its status as Malta's most prestigious address.

Our guest rooms offer a harmonious blend of classic and contemporary design and an abundance of natural light. Featuring king or twin beds, our larger than average rooms will be your haven away from a busy day. With beds so 'sinkable' you'll never want to wake up, décor so full of gracious style you'll feel like royalty and a bathroom so opulent, pampering yourself takes on a whole new meaning, after which you'll want to cosy up into your luxuriant bathrobe and slippers.

To lift you from your dream-like reverie, the modern world is at your fingertips with all the technological conveniences you could wish for, and they are all at hand.

Ergonomic workstation with wireless internet, web radio and multi-channel flat screen televisions, data ports and international power connections. Direct dial telephones with speaker and voicemail all ensure your accessibility with a confident assurance, that whilst you enjoy every modern comfort you could wish for, your business needs are met.

Take a drink from your mini bar and relax on the balcony before dinner, order room service in style overlooking the unbeatable harbour view or the busy hotel plaza. People watching never felt so good.

The Grand Hotel Excelsior is complimented by our exclusive Royal and Presidential Suites offering 'to die for' luxury amongst the bustle of our popular resort.

The Excelsior believes that dining should always be a pleasure. We feel that every item which we serve should be healthy, colourful, and delicious to eat, and we bring a splendid range of cuisine from across the world to our residents and non-residents alike.

Continental and British dishes are all there for your enjoyment, but we also present spicy and exotic food from many countries, including Asia and the West Indies. Understandably we intend to specialise in seafood, without losing our focus on all the classic meals. Every dish is important to us.

We have many vegetarian items available, and with a little notice we can cater for any special requirements which you may request from us. Whether it is light snack food or the ultimate in haute cuisine, our dishes will be lovingly-prepared and presented to you in style.

You can also expect our superb and discreet service to round off your dining experience and make it one to remember.

The Spa at the Excelsior offers an atmospheric space that is the perfect starting point for your journey toward equilibrium between your body, mind and

spirit.

Complement your spa experience with the variety of leisure, sporting, fitness and recreational facilities and activities available in the resort.

The Grand Hotel Excelsior in Valletta is Malta's newest and brightest star.

We promise every guest the luxury, comfort and superior service standards that you would expect from a luxury 5 star. Naturally we extend that service philosophy to each and every corporate delegate. Our purpose-built conference and banqueting facilities seat 1,000 delegates with 4,026 square metres of delegate space and thirteen separate venue formats to choose from.
